

CAMDEN FALCONS FOOTBALL CLUB 2018 ACTIVE KIDS VOUCHER CLAIM

In 2018 the NSW Government is launching the Active Kids Voucher Discount which entitles every school aged child to a \$100 discount on their sporting registration, amongst other things. For the full details, please click here <https://sport.nsw.gov.au/sectordevelopment/activekids>

Parents need to apply to the Service NSW website for their voucher approval code, however the program is not being launched until **31st January 2018**.

Football NSW understand that clubs like Falcons cannot wait until 31st January to begin registering for the new year and as such have come up with a system for you to use when using the online self-registration process on myfootballclub.com.au.

3. Their Invoice Total will now be reduced by \$100 and they need only pay the difference, if any.

BUT THIS ISN'T THE END OF THE ACTIVE KIDS VOUCHER CLAIM!

After 31st January, all parents claiming the \$100 deferral against their child's registration will have to apply for an approval code on the Service NSW website. We will post more information about how to claim when it becomes available. Parents will then supply Camden Falcons with their approval code so that the \$100 payment can be claimed by the club. We will also follow up with players and parents to supply their voucher approval number.

Thanks for choosing Camden Falcons and thanks for the NSW Government providing the opportunity to make sporting registrations more affordable.
